

CHAMBER OF COMMERCE ASSOCIATION OF ALABAMA INSTITUTE FOR ORGANIZATION MANAGEMENT STATE PARTNER SCHOLARSHIP 1ST YEAR ATTENDEE APPLICATION

Institute for Organization Management is the professional development program of the U.S. Chamber of Commerce Foundation. Institute was designed as a four-year course of study to enhance individual performance, elevate professional standards, and recognize association, chamber of commerce, and other nonprofit professionals who demonstrate the knowledge essential to the practice of nonprofit management. For complete program information visit: <http://institute.uschamber.com/>

The Chamber of Commerce Association of Alabama (CCAA) is partnering with the Institute for Organization Management to provide scholarships for incoming first-year students in 2019.

Through the State Partner Program, Institute is providing two \$500 scholarships to the Chamber of Commerce Association of Alabama specifically for CCAA members. The scholarships are intended to help CCAA member professionals attend Institute for the very first time.

Scholarship recipients are chosen through an application and competitive selection process and are available to first year students. Scholarships assist with the cost of tuition only, and cannot be combined with other scholarships offered through the U.S. Chamber of Commerce Foundation.

For more information about scholarship availability or to apply, please contact Jeremy L. Arthur at CCAA at 334-264-2112. Scholarship application submission deadline is February 20, 2019.
